

Thank you for your interest in the 4 year on line plumbing apprentice education program sponsored by Advanced Trade School in conjunction with NCCER and NCCER connect hosted by Pearson.

This program is approved by the NH Mechanical Licensing Board and is designed to be a self study program with frequent assessments that will be proctored for integrity purposes. Each participant must have access to a laptop or desktop computer with microphone and camera capability. Tablets/phones will not be sufficient for taking assessment quizzes and tests.

Steps to enrollment:

1. Create an account with NCCER in order to obtain your NCCER card number. Use this link:

<https://www.nccer.org/nccer-number/>

Once completed, please forward your name and card number to [advancedtradeschool@gmail.com](mailto:advancedtradeschool@gmail.com)

2. Use this link

to enroll at NCCER Connect (Pearson) to gain the access to the on line e-learning platform. When asked, you will NOT be using an LMS, so you will need the below course numbers.

You will need the following course numbers to enroll in your course year:

For those enrolling in YEAR 1, it is a two part course that begins with CORE

Course number houston84550 (Once completed you will enroll in Plumbing 1 to complete all of Year 1)

Plumbing 1 : houston92808

Plumbing Year 2 : houston14294

Plumbing Year 3 : houston39958

Plumbing Year 4 : houston37370

When asked for an access code you will click on the 14 day trial session to ensure you like the program. Once that trial period expires, and once payment is received, the instructor will email you the access code to make your access permanent. You will also decide if you want access to the on line platform only, access with an ebook, or access with a hardcopy book as well. REMEMBER: You do not click on any link that causes you to pay anything on line. All Tuition costs are mailed directly to Advanced Trade School once you decide the program is right for you. DO NOT pay for anything on line.
